LECHLER

Caring about the differences!

IL MOMENTO PIU' IMPORTANTE E' QUESTO

Prima artista, poi artigiano, ora imprenditore. Il carrozziere, oggi, sceglie di essere efficiente nel momento in cui decide come affrontare una riparazione. E, da imprenditore, è chiamato a prendere una **decisione economica oltre che tecnica.**

Lechler Refinish, con il Bodyshop Efficiency Program, fornisce al carrozziere la conoscenza e gli strumenti per scegliere il processo giusto per ogni riparazione.

Perchè non esiste un processo giusto per tutte le riparazioni, ma esiste un processo giusto per ogni riparazione.
