Interior – Interni

Bumper - Paraurti

- Tutti i codici, le indicazioni, i nomi dei colori presenti su questo catalogo e le relative formulazioni sono riportati in base alle indicazioni delle case automobilistiche oppure sono frutto della nostra esperienza. Decliniamo tuttavia qualsiasi responsabilità per eventuali errori. Consigliamo comunque, di scegliere la formula dopo aver controllato il riferimento colore sui nostri campionari e poi, realizzato il colore, applicarlo spruzzato e catalizzato, confrontarlo ben essiccato con la vettura in condizioni di illuminazione ottimali.
- All codes, information, name of shade contained in this catalogue and related formulations from standards or from our own experience. We do not accept any responsibility for any possible error. In any case we advise to choose the formulation after checking the colour reference on our samples, then spray the final catalysed colour and after drying compare it with the colour reference under optimal illumination conditions.
- Tous les codes, les indication, les noms des teintes présents sur cette brochure les formules relatives sur CD-ROM dérivent des indication des Constructeurs, ou de notre expérience personnelle. Cependant nous n'accepterons aucune responsabilité pour des erreurs possibles. De toute façon nous conseillons de choisir le formule après avoir controlé la référence des couleurs sur nos échantillons. Ensuite on peut appliquer au pistolet la couleur finale catalysée et la comparer, après séchage, avec la référence des couleurs en conditions optimales des d'illumination.
- Die Farbangaben in dieser Brochüre sowie die Farbformulierungen in den CD-ROM sind unseres Wissen korrekt wiedergegeben. Wir übernehmen jedoch keinerlei Haftung fur etwaige Ungenauigkeiten. Die Farben sind vor der Benutzung mit der Fahrzeugfarbe oder dem Originalstandard Norm zu vergleichen. Die gespritzte Farbenprobe vollständig trocken lassen, bevor sie mit der Fahrzeugfarbe verglichen wird. Die Farbenabstimmung stets bei Tageslicht vornehmen.
- Todos los codigos, indicaciones, nombres de los colores presentes en este catalogo y las relativas formulaciones en CD_ROM hacen referencia a las indicaciones de las casa automovilisticas son fruto de nuestra experiencia. En cualquier caso, no nos hacemos responsables de los posibles errores que las casas automovilisticas puedan prducir. Por otro lado aconsejamos escoger la formula del color después de haber controdado la referencia de color en nuestro muestrario y después de haber realizado, aplicado, pulverizado y catalizado una muestra del color confontandolo, cuando esté bien secco, con el del automòvi en condiciones de illuminación idòneas.

The screenshot shows the Lechler SpA website interface. At the top, there is a navigation bar with the following links: LECHLER SPA, IN THE WORLD, SITE MAP, CONTACTS, LINKS, TECH SUPPORT, and NEWS. Below the navigation bar is a large circular graphic containing five colored squares representing different product categories: GENERAL INDUSTRY (blue), DECORATIVE (green), REFINISH (red), INDUSTRY (yellow), and INKS (dark blue). To the right of this graphic is a 'Centre for Excellence' box with a small image and the text 'Centre for Excellence'. Below the graphic is a 'NEWS' section with three news items: '07.01.2003 NUOVA DEPLIANTISTICA REFINISH', '19.12.2002 KREATIV FORUM CON DAIMLER CHRYSLER', and '02.12.2002 ISO 9001:2000'. At the bottom of the screenshot, there are logos for LECHLER SpA, LECHLER, CHREON, and LECHLER SpA.
